Letter No. 629 dated 19th July 00 from the President of the L.F. Bds. Kadur circle submitting, with estimates a list of drinking-water wells and ponds urgently required in his District and requesting sanction as the D.F. Board is unable to meet the cost of the above mentioned Well-works, as sum of Rs 15,167 from its own funds. R L 166

Order thereon:- 175 F-58 23-8-00
L.F. 15-19

Prospects have, of late, considerably improved, that the large grant asked for cannot be urgently required and that a sum of Rs 5000 is quite sufficient to meet immediate requirements. This Govt accordingly sanctions this amount with the remark that it should not be exceeded.

2. Govt further consider that this is not quite the time to commence Well-works, that only very urgent ones should be proceeded with and that it is not considered necessary that the whole amount now specially sanctioned should be expended at once.
